

## Casual Possessive の

This should be another pretty straightforward practice sheet, going over grammar that uses の. It's very similar to the previous practice sheet, except this one will have の situations in it!

Change the following casual Japanese into English:

1 . それ は わたし の ペン ?

---

—

2 . あれ は ひとみさん の かお だ。

---

—

3 . わたし の いぬ は わるかった。

---

—

4 . おれ の かお は あおくなかった !

---

—

5 . オレンジいろ の オレンジ は オレンジ だ。

---

—

Now, change the following English into casual Japanese:

6 . My car was fast

---

—

7 . My dog is a good dog

---

—  
8 . My bicycle is quiet

---

—  
9 . My bicycle isn't quiet

---

—  
1 0 . This train is big

---

—  
1 1 . My car is not safe

---

Take a look at the answers and see how they compare! Figure out what you did wrong, make corrections, then move on. If you make mistakes and don't figure out what happened, you won't get better, so make sure you spend a little time doing that!

1. Is that my pen?
2. That over there is Hitomi's face.
3. My dog was bad.
4. My face wasn't blue!
5. The orange orange is orange
  
6. わたし の くるま は はやかった。
7. わたし の いぬ は いい いぬ だ。
8. わたし の じてんしゃ は しずか だ。
9. この でんしゃ は おおきい だ。
10. わたし の くるま は あんぜん じゃない。
